WWW.NORTHSTARSAINTS.ORG

North Star is a faith affirming resource for Latter-day Saints addressing sexual orientation and gender identity who desire to live in harmony with the teachings of Jesus Christ and the doctrine and values of The Church of Jesus Christ of Latter-day Saints.

We are a peer-led community navigating same-sex attraction or gender dysphoria while reconciling those feelings with our faith.

We believe God would have us balance heartfelt compassion, unfeigned love, emotional sensitivity, and open-mindedness with a devotion to eternal principles and to our eternal identities as His sons and daughters.

The inspiring testimonies and experiences shared at this conference offer positive pathways within the restored gospel of Jesus Christ to this community.

This conference is open to anyone wishing to learn more about these topics.

Join us for our North Star Annual conference.
